Hoit's Highlights

Bulldog Families,

2014-2015 Summative Assessments

Please reference the school calendar for dates we are administering state and district standardized assessments. Students continue to work hard to **grow academically** and meet **high levels of standards** and we appreciate your **support** in helping them reach these levels by **regular attendance, a good night's sleep, and positive encouragement to work hard** and do their **best**. Teachers will share **formative data** with you at **spring conferences** to provide you an idea of how they will perform on standardized assessments and compare results to readiness targets.

TMS Enrollment Wednesday,

February 11th

The TMS 7th Grade Counselor, Mrs. Fontaine, and 7th Grade Administrator, Dr. McCauley are visiting TSGA February 11th to begin the TMS enrollment process for 7th grade. Students will learn about course offerings and **life as a Turner Middle School Bear** during their presentation. Prior to their visit they will send students an **email with an overview** of what to expect during this time. Please check your students email prior to the 11th to learn more about this transition. On the 11th students will select courses and you will want to **review course selections** with your student and complete enrollment with **parent**

signature. TSGA students will get the opportunity to **visit TMS later in the spring**. You will receive more information about this as we get closer to the date.

TSGA Students Present to USD 202 Board of Education

We are excited to host the **February 17th Focus on Learning Presentation** to our Board of Education. A special thanks goes to the following students for their outstanding effort and performance: Rachel Everitt, Hayden Green, Sonnet Hernandez-Palos, and Hunter Rios. Thank you Mr. Klienow, Mrs. Spaits, and Mrs. Tidwell for your creative support throughout the process. One of my favorite things to do is interact with student leaders and I value the time we spent creating and organizing this presentation and we hope to represent TSGA in a way that makes all key stakeholders proud.

B3 Madness

What is B3 Madness you ask? This is a family engagement night scheduled for Thursday, March 12th from 5:30-7:00 in the TSGA Gym. We will have fun playing BINGO for books and shooting baskets with students and family members. More information will be sent home towards the end of the month via a Friday Flyer. Save the date and don't miss out on March Madness at TSGA with your child!

We hope your child shares with you what they learn and experience throughout this heart-warming week.
